

# **DANCE CLASSES AT THE YMCA AT GLEN COVE**

## **Glen Dance Studio brings dance to the YMCA!**

For more than 22 years Glen Dance Studio has been the premiere studio on the North Shore. Glen Dance Studio is founded on the idea that classes at a dance studio should be both educational and FUN! While many studios focus on a single dance routine for the majority of the school year, the teachers at Glen Dance teach technique and stage presence. Students at Glen Dance Studio learn how to dance, not a single dance routine. Now Glen Dance is bringing its professional staff to the YMCA at Glen Cove to do classes for ages 3-9!
